## Lions Gate Gogos ('Grandmothers to Grandmothers')

*"When the AIDS pandemic swept across the continent of Africa, it took the lives of nearly an entire generation – 35 million perished – which left their children alone and vulnerable. With little or no support, it was the grandmothers of Africa who stepped in to care for these children.*

*The Stephen Lewis Foundation launched the Grandmothers to Grandmothers Campaign in 2006, in response to the emerging crisis faced by African grandmothers as they struggled to raise millions of children orphaned by AIDS." (grandmotherscampaign.org)*

The Lions Gate Gogo group, in existence from 2007, usually meet at St. Clement's. Jeanette Terrace, Linda Tinker and Wilna Parry are members. The majority of our fundraising events came from Karla Mundy's 'Harmony Choir Concerts'. Since November 2007 our group raised \$79,432.59. Due to Covid-19, all concerts are suspended and our fundraising efforts ground to a halt. By purchasing a few of our Fair Trade items, we can continue to support Grandmothers in Africa, who are facing a double pandemic with their usual fortitude and resilience.
